Statutory Auditors' report on the consolidated financial statements

To the Shareholders,

Pursuant to our appointment as Statutory Auditors at your Shareholders' Meeting, we hereby report to you, for the year ended December 31, 2016, on:

- the audit of the accompanying consolidated financial statements of Rubis;
- the justification of our assessments;
- the specific verifications required by law.

The consolidated financial statements have been approved by the Board of Management. Our role is to express an opinion on these financial statements based on our audit.

I. OPINION ON THE CONSOLIDATED FINANCIAL STATEMENTS

We conducted our audit in accordance with the professional standards applicable in France; these standards require that we plan and perform the audit to obtain reasonable assurance that the consolidated financial statements are free of material misstatement. An audit includes examining, using sampling techniques or other methods of selection, evidence supporting the amounts and disclosures contained in the consolidated financial statements. It also includes an assessment of the accounting policies used and the significant estimates made, as well as an evaluation of the overall presentation of the financial statements. We believe that our audit provides a sufficient and reasonable basis for our opinion.

In our opinion, the consolidated financial statements give a true and fair view of the assets and liabilities, financial position and results of the Group comprising the persons and entities included in the consolidation, in accordance with IFRS accounting standards as adopted in the European Union.

II. JUSTIFICATION OF OUR ASSESSMENTS

In accordance with the requirements of Article L. 823-9 of the French Commercial Code relating to the justification of our assessments, we draw your attention to the following matters:

- as stated in note 4.2 to the consolidated financial statements, goodwill is subject to an impairment test at least once per year, or more frequently if there are indications of a loss in value, in accordance with the provisions of IAS 36 "Impairment of assets."
As part of our audit, we analyzed the methodology used and its implementation, and assessed the reasonableness of the assessments made;
- we examined the methods used to determine "Other provisions" and "Employee benefits" as well as the assumptions used to measure them. We are satisfied that these provisions were made in accordance with the principles described in notes 4.11 and 4.12 to the consolidated financial statements, and have reviewed their appropriateness.

These assessments were made as part of our audit of the consolidated financial statements, taken as a whole, and therefore contributed to the opinion we formed, which is expressed in the first part of this report.

III. SPECIFIC VERIFICATION

We also performed, in accordance with the professional standards applicable in France, the specific verification required by law of the information provided in the Group's management report.

We are satisfied as to its fairness and consistency with the consolidated financial statements.
